Contract for Wedding Photography Services

1. A signed contract and retainer are required to reserve the specified coverage. It is understood this Photographer is the exclusive official photographer retained to perform the photographic services requested on this Contract. Simultaneous coverage by another photographer with professional still photography equipment releases Photographer from this contract.
2. Payment Policy: A non-refundable retainer of 25% of Package will reserve Photographer for coverage on the specified date and will be applied to the Package. The remaining balance is DUE 14 DAYS BEFORE WEDDING.
3. Copyrights: As the author of all images made hereunder and as provided for by United States Copyright Laws (Title 17, U.S. Code Section 101), the Photographer shall retain the copyrights in perpetuity, regardless of possession or ownership of photographs, digital files or any other format of reproduction. Client may not reproduce images in any manner without Photographer's explicitly written permission. Client recognizes and agrees that the Photographer may reproduce, publish (including internet), exhibit and otherwise use images created here under, without specific identification of persons or events, (1) as samples of work to be shown to prospective clients, (2) for instructional purposes, (3) as samples of work to be displayed for marketing or competition.
4. Requested Photos: While Photographer will make every reasonable effort to take photos specifically requested by Client. The Client understands that this is an uncontrolled event and that due the vagaries of the weather, available light, time restrictions, and willingness of subjects, Photographer cannot possibly guarantee that ALL requested photos will be taken.
5. Limitation of Liability: While every reasonable effort will be made to produce and deliver outstanding images of the event, the Photographer's entire liability to Client for any claim, loss, damage or injury arising under or relating to the Agreement or the Photographer's performance hereunder, including the negligence of the Photographer, is limited to a refund to Client of all fees paid for services. In the unlikely event that the Photographer is injured or becomes too ill to cover the event, the Photographer will make every effort to secure a replacement photographer.
6. The digital copies of the images are the property of the client for personal use and for the purposes of the reproduction and giving of photographs to friends and relatives. The client must obtain written permission from and compensate the Photographer prior to the client or its friends and relatives publishing or selling the photographs for profit.
7. Wedding Albums: After receiving online layout proofs, client has 30 days to provide their revisions to Photographer for inclusion into album. If client does NOT provide their revisions in writing, or email, within the 30 days, they forfeit any choices of images included in the album. As part of the service, the Photographer will design the layout of albums including photograph size and image placement. The custom designed album is usually ready 1-2 months after client approval of layout.
8. The Photographer is limited by the guidelines of the ceremony official or reception site management. Client agrees to accept the technical results of their imposition on the Photographer. Negotiation with the officials for moderation of guidelines is client's responsibility; the Photographer will offer technical recommendations only.
9. Meals: In order for Photographer to make arrangements, they request information about whether meals will be provided or not. (Do NOT feel obligated, Photographer just needs to plan accordingly.)
10. Client may assign one family member (not in event party) to point out key people (to Photographer) during the event. (Strong personality & voice recommended.)
11. MODEL RELEASE. The client hereby grants to the Photographer and its legal representatives and assigns, the irrevocable and unrestricted right to use and publish photographs of the client or in which the client may be included, for editorial, trade, advertising and any other purpose and in any manner and medium; to alter the same without restriction; and to copyright the same. The client hereby releases the Photographer and its legal representatives and assigns from all claims and liability relating to said photographs.
11. No part of any order will be delivered until the balance is paid in full. Final payment is requested 2 weeks prior to wedding.
12. This Contract incorporates the entire understanding of the parties. Any modifications of this Contract must be in writing and signed by both parties.
